

## AYC Club Championship Trophy

Dr. Bob Beers deeded the trophy to AYC around 1968, a large silver bowl that is the AYC perpetual trophy.

Each fleet sends its champion, who must have competed in at least two-thirds of the races in the Fall/Spring Series.

The current AYC champion has the right to defend his title. The sail-off is held after the end of the Spring Race Series and the trophy is presented at the Spring Banquet.
